21 **Objection Deadline: August 2, 2022**

22 I, Carrie Rogers, hereby declare and state as follows:

23 1. This declaration is based upon my personal knowledge unless otherwise indicated. If

24 called upon to testify as to the matters stated herein, I could and would competently do so.

25 2. On the day of the Camp Fire I was living at 5086 Foster Road, Paradise, California

26 95969 with my husband, Troy Rogers, and our adult son Travis Rogers. Another adult son, Ryan

27 Rogers, stored personal property at our home.

28 3. My husband and I own our home. Although our home is still standing, it suffered some

1 damage due to the fire. We also lost several outbuildings, such as a chicken coop, barns, and  
2 storage sheds, including their contents.

3 4. On the day of the fire, I first reported to work but soon learned that we were to  
4 evacuate. I rescued a few items at work upon my boss's request and I then went home to arrange  
5 for the evacuation with my husband and sons Travis Rogers and Ryan Rogers. We first had to  
6 evacuate my parents and 94-year-old grandfather who lived in upper Paradise.

7 5. Once we were all present at our home, I drove with my parents and grandfather toward  
8 Chico. I left my husband and two sons behind so that they could secure our home and follow  
9 later.

10 6. It was nearly six hours before we all were able to reconvene at our arranged meeting  
11 place in Chico.

12 7. The ordeal was severely distressing to me. My husband and, I as well as our adult  
13 sons, lost personal property in the fire, including a 1965 Chevy truck, household appliances and  
14 furnishings, clothing, and outdoor lawn and patio furniture, as well as the out-buildings and their  
15 contents.

16 8. We did not file a claim earlier because we thought our insurance would compensate us  
17 for all our losses, including emotional distress and displacement. However, we now know that  
18 our insurance does not cover all of our losses.

19 9. Once I found out that I could request the Bankruptcy Court to allow me to file a late  
20 claim for our losses, I contacted counsel immediately and asked them to file a motion for late  
21 claim on my behalf.

22 I declare under penalty of perjury under the laws of the State of California and the United  
23 States that the foregoing is true and correct.

24 Executed at Paradise, California, on 7/17/2022.
